

UNIC OPEN ONLINE COURSES

FOR
BA & MA
STUDENTS

UNIC's Open Online Courses are a great way of experiencing what studying is like at a different European University and making connections with your fellow students across Europe. They also allow you to pick courses that might not be available at your home university.

HOW TO SIGN UP

Go to campus.unic.eu and sign up using your eduGAIN or AAI@EduHr credentials. After signing in, you complete a one-time form with some basic information about yourself and set your role as 'student'. You will get an email confirming your registration was successful.

You can then apply for any available courses in the course list and will receive a notification once that application has been successful. [More info here.](#)

[Click here for the full course list.](#)

Please check with your academic advisor to see if you can include the credits in your degree.

UNIC, pronounced "unique", is short for **The European University of Cities in Post-Industrial Transition**. We are an alliance of ten universities rooted in ten specific post-industrial urban ecosystems, dedicated to unlocking new models of European learning, working and researching that will shape the future of higher education.

Co-funded by
the European Union
